

Metalcraft of Mayville Employment Applicant Policy
07/2018

To remain in compliance with federal regulations and our Affirmative Action Plan, every application received at Metalcraft of Mayville Inc. must be documented. For these reasons, the following Applicant Policy has been adopted by Metalcraft of Mayville Inc.

We are a drug free employer. Pre-employment hair drug screening required.

Applications will be accepted for all open positions.

All applications must be submitted through the Metalcraft website's employment section.

The application form must be completed in its entirety for consideration including signing the application.

All applicants must specify the job for which they are applying.

Applicants interested in more than one opening will need to apply for each position.

Applicants can be considered for another open position if they meet the job qualifications.

An Affirmative Action Questionnaire will accompany the application form. This questionnaire is optional. All information provided on the questionnaire will remain confidential and will not be used in the selection process. Refusal to provide this information will not subject an applicant to any adverse treatment.
